07 How this report was made

01 Your chart and faraway places

Aarav, travel and life abroad are read from the 12th house (foreign lands and distant places), the 9th house (long journeys), Rahu (the foreign and the new) and the Moon (how at home you feel). These describe tendencies, never a visa, a job offer or a promise.

The main signal

The clearest signal in your chart is that Surya, the lord of your Lagna and the graha of your whole self, sits in your 12th house. When the Lagna lord lives in the 12th, a person often feels a lasting pull towards distant places, private retreats or a life partly lived away from where they were born. For many people with this placement, time abroad for study or work becomes an important chapter.

Your Moon in Tula in the 3rd house loves short journeys, conversation and new people, and your 9th house is ruled by your Yogakaraka Mangal in the Lagna. Travel tends to go well when you initiate it yourself.

- ◆ Your Lagna lord Surya sits in the 12th house of foreign lands: a lasting pull towards faraway places.

02 The 12th house: foreign lands

Karka on the 12th

Your 12th house, Vyaya bhava, is Karka (Cancer), a water sign, and Surya sits there in Ashlesha pada 4. Classical texts associate watery signs in the 12th with journeys across water and life far from home. Its Sarvashtakavarga score is 22, below the comfort line of 25, which is a note about expenses rather than about travel: moves and trips abroad are likely to cost more than planned, so budget for them.

The lord of your 12th house is Chandra, the Moon, who sits in Tula in your 3rd house of short journeys and communication. The 12th lord in the 3rd links distant places with writing, media, travel for work and staying in touch across distance.

03 The 9th house: long journeys

Mesha on the 9th

Your 9th house, Dharma bhava, is Mesha (Aries), with no graha in it and a score of 28, on the traditional strong line. Its lord Mangal, your Yogakaraka, sits in your Lagna. The 9th governs long journeys, higher study, pilgrimage and teachers. A strong 9th lord in the 1st suggests that long-distance travel for study, teaching or a purpose you believe in tends to succeed, especially when you plan it and push it forward yourself.

04 Rahu and the pull of the new

Rahu in the 5th, and home as a counterweight

Rahu sits in Dhanu in your 5th house and Ketu in Mithuna in your 11th. Rahu is the graha of the foreign and the unfamiliar. In the 5th house of study and creativity he draws you towards foreign ideas, international subjects and ways of thinking from outside your own culture, which often opens the door to study or work abroad.

The counterweight is your 4th house, the house of home and roots: Vrishchika, ruled by Mangal in your Lagna, with a score of 27. Home matters deeply to you. The healthiest pattern for this chart is usually a strong base with long periods abroad, rather than cutting roots entirely.

05 Timing of travel and relocation

The next two years

Jupiter's transit is in Karka, your 12th house, until 31 October 2026 and again from 24 January to 25 June 2027. Jupiter passing through the 12th is traditionally one of the clearest indicators for foreign travel, study abroad and time away. If you are planning a move or a long journey, these months are a natural window.

You are also in Rahu Antardasha until 26 August 2027, the sub-period of the graha of the foreign. From June 2027, Saturn's transit enters Mesha, your 9th house of long journeys and higher learning, which supports long, structured plans such as a degree or a posting abroad.

- ◆ Natural windows: Jupiter in your 12th house until October 2026 and from January to June 2027, during Rahu Antardasha.

Later periods

Inside your Shani Mahadasha, the Surya Antardasha from August 2037 to July 2038 activates your Lagna lord in the 12th, the Chandra Antardasha from July 2038 to February 2040 activates your 12th lord, and the Rahu Antardasha from April 2041 to February 2044 activates the graha of the foreign. Tradition reads these as periods when travel, relocation or life abroad come to the fore again.

06 Traditional practices

For safe and fruitful journeys

Surya, your Lagna lord in the 12th, is honoured with water offered to the rising Sun and the Aditya Hridayam; the Moon, your 12th lord, with simple food on Mondays and time near water. Before long journeys, many families visit a Hanuman or Ganesha temple and give to travellers or the needy.

Rahu is balanced by honesty and by avoiding shortcuts: in practice, keep every document, visa and contract in careful order. That is the most useful Rahu remedy of all for life abroad.
