07 How this report was made

OI Authority in your chart

Aarav, government and public service are traditionally read from Surya (the Sun: authority, government, the state), Shani (service, systems and public duty), the 10th house (career and status) and the 6th house (service, competition and competitive examinations). No chart can promise selection in any exam; it can show where your strengths lie.

The overall picture

Your Lagna is Simha, the sign ruled by Surya himself, so authority and public responsibility are part of your nature: you are comfortable being visible and being trusted with decisions. Your 6th house of service is one of the strongest in your chart, with Shani in his own sign forming Harsha yoga, and your 10th house scores 37.

The one qualification is that Surya, your Lagna lord, sits in your 12th house, the house of work behind the scenes. That often suggests roles in planning, research, administration, foreign service or institutions rather than the most public-facing positions.

- ◆ Simha Lagna, a Harsha yoga in the 6th and a 10th house scoring 37: strengths for service, competition and responsibility.

O2 Surya and the 10th house

Surya in the 12th

Your Surya sits in Karka at 27°59' in your 12th house, in Ashlesha pada 4, in the sign of a friend. Surya rules your 1st house. In the 12th he gives a preference for working steadily in the background, within large institutions, hospitals, research bodies, foreign or international offices, and roles where your influence is real but not always on display.

Vrishabha on the 10th

Your 10th house, Karma bhava, is Vrishabha (Taurus), with a Sarvashtakavarga score of 37, the second highest in your chart. Its lord Shukra sits in your 1st house. The 10th lord in the Lagna merges career and identity: people associate the work with you personally. In a government setting this favours finance, administration, planning, culture, and any role where you are trusted to manage something valuable.

03 The 6th house: service and competition

Makara on the 6th, with Shani

Your 6th house, Ripu bhava, is Makara (Capricorn) with a score of 32, and its own lord Shani sits there, forming Harsha yoga. The 6th house governs service, discipline, competition and competitive examinations. This is exactly the house that government service and entrance examinations draw on.

Shani in his own sign here gives stamina for long preparation, respect for rules and process, and the ability to outlast competitors. People with this placement often do best in exams that reward consistent study over months rather than last-minute brilliance.

- ◆ Shani in his own sign in the 6th house: stamina for long preparation and competitive examinations.

O4 The Dasamsa (Dio)

Your Dasamsa

Your Dasamsa Lagna is Tula (Libra), and your Moon sits in it: a professional self that is fair, diplomatic and good with people. Mangal sits in Mesha, his own sign, in the Dasamsa 7th, which favours dealing with the public and with other institutions.

In the Dasamsa, Surya sits in Dhanu, the 3rd from the Dasamsa Lagna, a house of initiative and communication; Shani and Shukra sit in Vrishchika, the 2nd; and Guru sits in Simha, the 11th, the house of gains and recognition. Guru in the 11th of the career chart is traditionally a strong support for promotion and rewards over time.

O5 Timing for exams and appointments

The next two years

Rahu's transit enters Makara, your 6th house, on 5 December 2026 and stays until 23 June 2028. Rahu in the 6th is one of the classic transits for success in competition and competitive examinations. If you are preparing for a government exam, these eighteen months are a natural window.

Jupiter's transit is in Simha, your Lagna, from 31 October 2026 to January 2027 and from June to November 2027, traditionally bringing confidence, visibility and support from people in authority: good for interviews and appointments.

- ◆ Rahu's transit through your 6th house, December 2026 to June 2028: a classic window for competitive exams.

The dasha picture

Your Shani Mahadasha begins on 26 August 2027. Shani is the lord of your 6th house of service and forms Harsha yoga, so this nineteen-year period traditionally favours steady public service, responsibility and long-term positions. Within it, the Shukra Antardasha from June 2034 to August 2037 activates your 10th lord, and the Surya Antardasha from August 2037 to July 2038 activates the graha of government itself.

06 Traditional practices

For Surya and Shani

Offering water to the rising Sun, reciting the Aditya Hridayam, and respecting your father and people in authority are the classic practices for Surya, the graha of government. For Shani, a sesame-oil lamp on Saturdays and service to people who work hard with their hands are traditional.

The most practical remedy for a 6th-house Shani is a fixed daily study routine with the same hours every day. Your chart rewards that kind of consistency more than anything else.

O7 How this report was made

Every position was calculated by the iAstroGuru Engine, using the Lahiri ayanamsa, whole-sign houses, Vimshottari dashas and the Dasamsa (D10).

The text was written from these calculated facts and checked automatically against the chart before release. Astrology is an interpretive tradition; nothing here predicts selection in any examination or appointment, and nothing is career or legal advice. This sample was prepared for a fictional person, Aarav Sharma.

Calculated by the advanced iAstroGuru Engine, tested for accuracy against trusted references. Automated interpretation of these calculations; every report passes our multi-layer quality assurance.
