06 Traditional practices

07 How this report was made

OI Guru in your birth chart

Aarav, every Jupiter transit works through the Guru you were born with. Before the dates, here is that Guru.

Your natal Guru

Your Guru sits in Simha at 0°08' in your 1st house, in Magha pada 1, in the sign of a friend, and combust, close to the Sun's degree. He rules your 5th house of intelligence, children and merit, and your 8th house of change and research. He is also part of your Raja yoga and your Dhana yoga, both formed in your Lagna.

A combust Guru holds real wisdom that needs conscious expression, and it responds strongly when transiting Jupiter returns to touch it. That is exactly what happens in the next two years.

- ◆ Natal Guru in your Lagna, part of your Raja and Dhana yogas: his transits touch the heart of your chart.

O2 Guru's path, with dates

Seven stays in two years

Jupiter's transit is in Karka (Cancer) until 31 October 2026. It then enters Simha (Leo) from 31 October 2026 to 24 January 2027; moves back into Karka from 24 January to 25 June 2027; returns to Simha from 25 June to 26 November 2027; enters Kanya (Virgo) from 26 November 2027 to 28 February 2028; returns once more to Simha from 28 February to 24 July 2028; and then moves into Kanya from 24 July 2028.

The back-and-forth comes from Jupiter's retrograde periods. The practical meaning is that the Simha themes arrive in three waves, so a plan that starts in the first can mature in the second and third.

03 House by house

Each stay is read from your Lagna, Simha, and from your Moon, Tula.

Guru's transit in Simha: your 1st house, and a Guru return

Simha is your Lagna and the 11th sign from your Moon. Jupiter's transit over the Lagna is traditionally one of the most welcome of all: confidence, visibility, good health, and support from teachers, mentors and people in authority. From the Moon, the 11th is the house of gains and fulfilled wishes.

Because your natal Guru is in Simha, these transits are also your Guru return, the moment transiting Jupiter comes back to the sign it held at your birth. Tradition treats a Guru return as a threshold: a time to take stock of what you have learned over the last twelve years and choose what to grow next.

♦ Jupiter's transit over Simha, from 31 October 2026, is also your Guru return: a threshold year for growth.

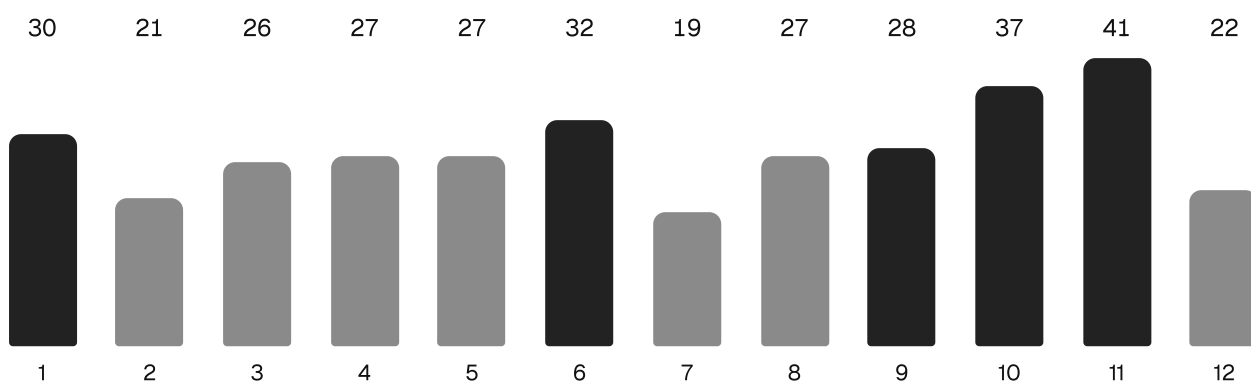

Guru's transit in Karka: your 12th house

Karka is your 12th house and the 10th from your Moon. Jupiter's transit in the 12th traditionally favours rest, retreat, spiritual practice, foreign travel and generous spending on good causes. From the Moon, the 10th brings attention to work and reputation. The January to June 2027 stay is a good time for study, travel and quiet preparation rather than launches.

Guru's transit in Kanya: your 2nd house

Kanya is your 2nd house and the 12th from your Moon. Jupiter's transit in the 2nd traditionally supports savings, family life, food and speech; it is the natural time to set up the saving systems your chart asks for, since your 2nd house scores 21. From the Moon, the 12th asks for care with spending, so the two readings agree: build structure around money.

Sarvashtakavarga by house

Bindus per house (total 337). 28 or more is traditionally strong; under 25 asks for care.

O4 Guru and your dasha

The close of Guru Mahadasha

You are in the last months of Guru Mahadasha, in Rahu Antardasha, until 26 August 2027. The Shukra pratyantar runs from 15 October 2026 to 10 March 2027, overlapping the first Simha wave; Surya runs from 10 March to 23 April, Chandra to 5 July, and Mangal to 26 August 2027.

When the Mahadasha lord and the transiting planet are the same, the transit is felt strongly. The first Simha wave, inside Guru Mahadasha and the pleasant Shukra pratyantar, is traditionally the most rewarding stretch of the whole period. The later waves fall in your Shani Mahadasha, where they bring Guru’s support to Saturn’s long, steady work.

Vimshottari Mahadashas		
Mangal 1991–1993	Rahu 1993–2011	Guru 2011–2027
Shani 2027–2046	Budh 2046–2063	Ketu 2063–2070
Shukra 2070–2090	Surya 2090–2096	Chandra 2096–2106

O5 Using the good windows

A simple plan

From 31 October 2026 to 24 January 2027, put yourself forward: applications, presentations, new responsibilities and conversations with mentors.

From 24 January to 25 June 2027, turn inward: study, travel, planning, rest and generosity.

From 25 June to 26 November 2027, act on those plans as your Shani Mahadasha begins in August. From 26 November 2027 into 2028, build your savings and strengthen family finances while Jupiter's transit is in your 2nd house.

06 Traditional practices

For Guru

Thursday is Guru's day. Respecting teachers and elders, giving to education or temples, reciting the Guru mantra ॐ बृहस्पतये नमः, and wearing yellow on Thursdays are the traditional practices, especially valuable during a Guru return.

Because your natal Guru is combust, the most useful practice is to seek good counsel before big decisions in these two years. A teacher's advice is how a combust Guru speaks.

07 How this report was made

Jupiter's sign changes were calculated by the iAstroGuru Engine to within minutes, using the Lahiri ayanamsa and whole-sign houses. Almanacs with slightly different settings may differ by a few hours.

The text was written from these calculated facts and checked automatically against the chart before release. Astrology is an interpretive tradition, and nothing here is medical, legal or financial advice. This sample was prepared for a fictional person, Aarav Sharma, for the two years from 29 September 2026.

Calculated by the advanced iAstroGuru Engine, tested for accuracy against trusted references.
Automated interpretation of these calculations; every report passes our multi-layer quality assurance.
